

Release Notes 2.0.6

February 22, 2004

The following items have been moved (migrated) to Production for use by Agencies beginning on February 22, 2004.

- The Personnel Office Identifier table was updated to support the HR consolidation effort. The signature on the SF-50 forms will reflect the consolidated HR Directors' names. A report of employees processed will be distributed later in the week.
- A fix was made to the hire process. Users will no longer receive the 'Degree is required' error when entering a duplicate social security number.
- A fix was made to the SF-50. The program was updated to accurately print data for actions that are corrected with 002 Corrections.
- The legal authority LYP was added. This legal authority is used for NOA codes 100, 101, 500, and 501.
- A fix was made to improve the processing time for accessing recruit requisitions and processing requisitions through workflow.
- The 2004 FC salary table was loaded.
- The 2001 144R salary table was loaded.
